

# Waterberg District Wide Area

## STRATEGIC PLAN 2010 / 2011

## PROJECT DETAILS

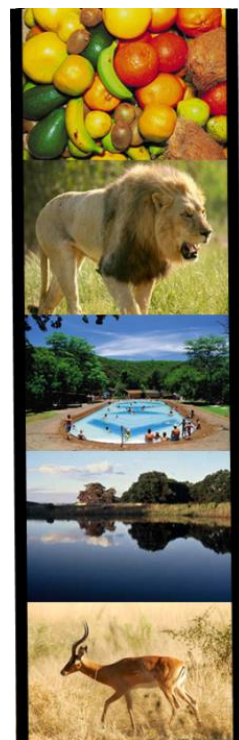

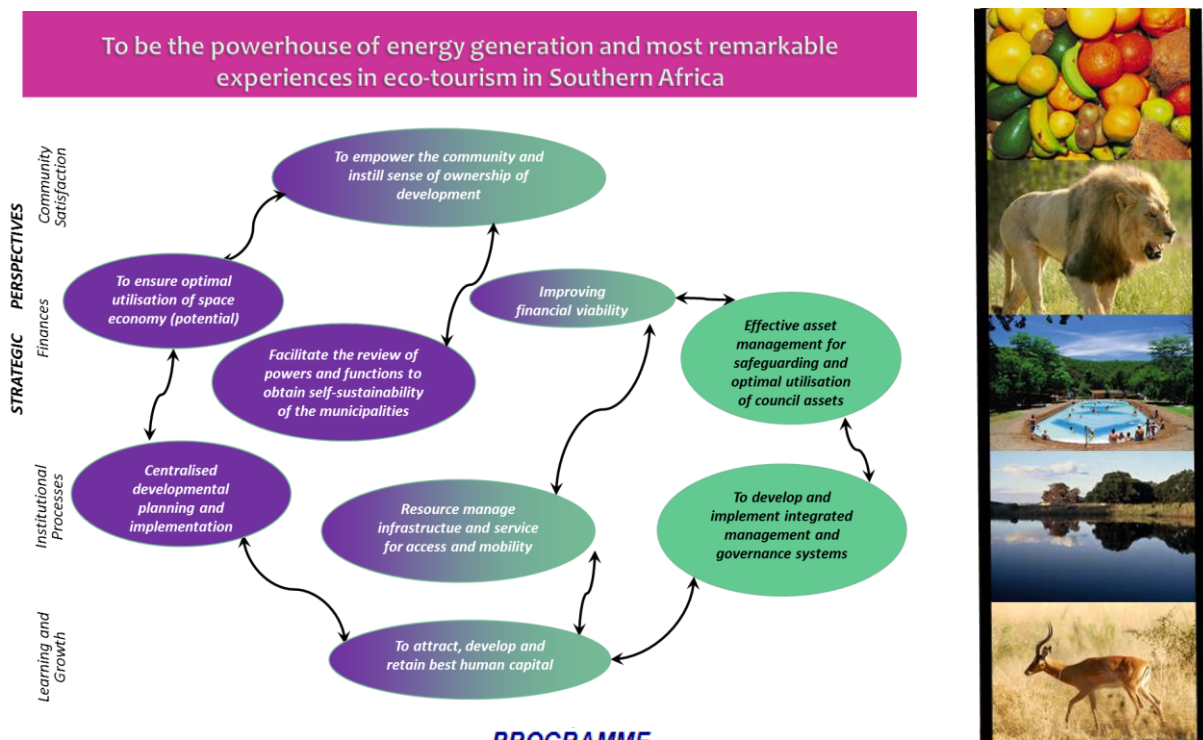

Project Name : Waterberg District Wide Area: Strategic Plan, 2010-11  
 Client : Institute for Performance Management for Waterberg District Municipality and the six Local Municipalities  
 Project by : Akanya Development Solutions

## PROJECT DESCRIPTION

The aim of this project was to prepare a District Wide Strategic Plan the District Municipality’s IDPs and the SDBIPs and Performance Plans. The delegates also worked on developing a common vision and establishing common working tools in improving service delivery at District and Local Municipal level. This was achieved through a series of robust sectoral discussions where the delegates were divided into various working groups. The interactive sessions went on for three days at a secluded venue, just outside the town of Bela Bela.

## PROJECT OUTCOME

The Premier’s Office; Provincial Department of Co-operative Governance, Human Settlements and Traditional Affairs; and an assigned Ministerial Task Team analysed the state of the Waterberg District Municipalities according to their IDPs and gave an overview of the District’s performance in relation to National Governments Key Performance Areas. Following an extensive SWOT analysis the delegates got to a point of crafting a strategic map for the next 10 years.
