

SUPPORT FOR STRATEGIC PLANNING PROCESS:

DEPARTMENT OF PUBLIC WORKS AND INFRASTRUCTURE 2019-20

PROJECT DETAILS

Project Name : National Department of Public Works and Infrastructure (DPWI): Support for the Compilation of the Strategic Plan and the Annual Performance Plans

Client : Institute for Performance Management (IPM) for DPWI

Project by : Akanya Development Solutions

PROJECT DESCRIPTION

As we enter the 5th Administration, all National and Provincial Departments have to develop 5 year strategic plans (SP) and Annual Performance Plans (APP) that will guide them to achieve the priorities set out by the governing party through the President.

The project team provided support to this process. This included the facilitation of the workshops employing the Theory of Change which emphasises the outcomes and impact based methodology. Main activities also included the presenting the principles of the Theory of Change and the importance of Integrated Planning.

PROJECT OUTCOME

At the time of writing, the SP and APPs were being finalized.
