

SUPPORT FOR STRATEGIC PLANNING PROCESS:
LIMPOPO DEPARTMENT OF PUBLIC WORKS,
ROADS AND INFRASTRUCTURE 2019-20

PROJECT DETAILS

Project Name : National Department of Public Works, Roads and Infrastructure (LDPRWI): Support for the Compilation of the Strategic Plan and the Annual Performance Plans

Client : Institute for Performance Management (IPM) for LDPRWI

Project by : Akanya Development Solutions

PROJECT DESCRIPTION

Following the Priorities set out by the governing party and the State of the Province address by the Premier, the Department is required to develop a 5 year strategic plan and annual performance plans that will address the national and provincial priorities.

The project team provided support that included the facilitation of the workshops employing the Theory of Change which emphasises the outcomes and impact based methodology. Main activities also included the presenting the principles of the Theory of Change and the importance of Integrated Planning

PROJECT OUTCOME

Project outputs were used to compile the relevant plans.
